Zero Tolerance for Harassment Policy

To ensure a positive and respectful environment at Avenue Pediatric Dentistry, we have zero tolerance for harassment of staff.

All communication; in person, on the phone and through email, is expected to be respectful. Harassment, intimidation, disrespectful language, cursing or abusive behaviour in any form will not be tolerated.

If you have a grievance or problem that you would like our office to address, please direct it to the Office Manager, who will be happy to assist and work with you towards a resolution.

Thank you for your acknowledgment of this important policy.
